A *Partial Decree* was issued for the above-captioned right on June 10, 2004. A *Master's Report and Recommendation* was filed on April 9, 2004. Both the *Recommendation* and the *Partial Decree* list the Point of Diversion as Township 18N Range 25E Section 15 NENWSW NENWSW. Correspondence was received from the Claimant stating that the Point of Diversion should only include the first NENWSW description, deleting the second.

The inclusion of the second NENWSW language on the *Partial Decree* is unnecessary and redundant. The Court finds that the inclusion of the extra NENWSW language in the *Partial Decrees* was a clerical error.

Therefore, IT IS ORDERED, that the above water right is hereby amended and decreed as set forth in the attached *Amended Partial Decree* pursuant to I.R.C.P. 60(a).
