Dear Hans,

Thank you for your call today. As to your efforts to settle the issues addressed in the NOTICE OF PROTEST for Transfer of Water Right App. Number 71191 (June 28, 2004), you expressed your interest in negotiating the settlement of the protest and your ability to receive the information currently exchanged between Mirada Farms, the Dept. of Water Resource and other concerned parties. On behalf of Mirada Farms and in its best interest I authorize you to negotiate the legitimate settlement of the protest issues regarding Transfer #71191 and to receive all related correspondence. Final authority to sign all documents will still rest with Mirada Farms.

If you or any party to this protest has any question as to your authority to help resolve the transfer issues, please contact me.

Sincerely,

William C. Van Dam, Partner
