Twin Falls, ID 83301

Dear Mr. Brockway:

As we discussed recently on the telephone, the Department currently has two pending transfer applications that are awaiting the submittal of additional information before processing of the applications can continue.

The first application, filed in the name of Rodney and Shirley Jentzsch, needs to have a notarized signature page submitted. Mr. and Mrs. Jentzsch signed the application, but their signatures were not notarized. Since you have limited power of attorney for Mr. and Mrs. Jentzsch, a notarized signature page, signed by you would suffice, or Mr. and Mrs. Jentzsch could submit a notarized signature page signed by them.

The second application, filed in the name of Rinker Company (transfer #71412) involves water rights and property owned by Steven D Holzman Trust. As we discussed, an assignment of the transfer application from Rinker Company to Steven D Holzman Trust, or some sort of permission from Steven D Holzman Trust allowing Rinker Company to transfer their water rights, needs to be submitted.

Please submit the above requested information as soon as possible to prevent further delays in the processing of the applications. If you have any questions, or if I can be of any further assistance, feel free to contact me at your convenience.

Sincerely,

Corey Skinner, PE
Water Resource Engineer
