RE: Application for Transfer No. 69913 (Water Right No. 36-2083B)

Dear Mrs. Rosholt:

The Department of Water Resources acknowledges receipt of your application. Please refer to the number in all correspondence regarding the above referenced application.

This office has scheduled advertising the application in the **North Side News** on 6/13 & 6/20/02. The advertisement will be published for two weeks, and **a period of ten calendar days following the second publication will be allowed for the submittal of protests. (July 1, 2002)**

If an application is protested, the applicant will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

In addition, please provide a list of names, titles and addresses of all corporate directors and officers. (Rule 035.03.b, i).

State Office personnel will conduct a complete review prior to final processing of the application and will notify the applicant of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
