Re: Transfer Review

Date: 5-28-02

Applicant wishes to add POD from springs tributary to Alpheus Creek to right 36-2083B.

Rights 36-8593 and 36-2083A in the name of Blue Lakes Country Club are from the same POD as the transfer is proposing.

Transfer is intended to water the 2 acres under 36-2083B from the main pump station (from springs) and retain the original POD (from Alpheus Creek) as backup. The two PODs are NOT connected.
