Dear Sir:

I am in the process of closing my mother's estate and I came across some correspondence concerning the above-referenced water right which is associated with my parents' home in Caldwell, Canyon County, Idaho. I could not tell if my parents did what was necessary to perfect or preserve their water right. My father is 91 and is unclear about it. Can you confirm that the water right above-referenced has been perfect or preserved and that it is in existence. If there is a charge for this, please advise my office and payment will be remitted immediately. Thank you for your help.

Very truly yours,

  
GARY L. COOPER
