Dear James E. Stanton,

Peter Grush has contacted me concerning a new well that has been developed on some property in Malta, Idaho. The well is located in T14S R27E S18 in the SE1/4 of the SE1/4. I am the mortgage holder for the adjoining property and the water from both properties is co-mingled. He wishes to change the point of diversion. I have no objection to this transfer.

Sincerely,

A handwritten signature in cursive script that reads "Joyce Hutchison".
