Re: Application for Permit No. 75-14166, US Department of Agriculture

Hi Sharla:

Our office reviewed the above water right application from the IDWR New Water Rights filing report dated June 28, 2004 (copy attached).

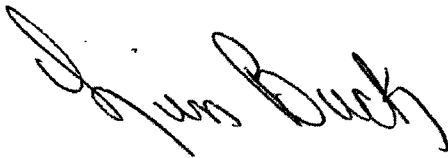

Our MTP (copy attached) shows that the POD and POU as described in the above referred to water right application may be missing a lot number:

POD: T24N R21E S22 SESESW
POU: T24N R21E S22 SESW

BLM does not have a problem with this claim; we are just providing this for your information.

Thank you.

Have a nice day!!
