RE: Water Right 47-14970, Robert & Mary Steele

Dear Mr. Alley;

It has come to our attention that you now own the property to which the above-referenced water right is appurtenant. This right covers the stockwater/domestic well. Idaho law requires that the purchaser of property with appurtenant water rights execute a Change of Ownership to update our records in such cases. I contacted you on this matter in 1999, but received no response, so am trying again. I already have copies of the necessary deeds, so all that is needed is for you to complete and sign the enclosed form. Once I receive the form back from you, I will send the form and deeds to our Boise office for processing. Also, a processing fee of \$25 must accompany the form. If you have questions, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent
