RE: Decreed Water Right 47-14970, Robert & Mary Steele

Dear Mr. Alley;

It has come to our attention that you now own the property covered by the above-referenced water right, which is for the domestic well on this land. Idaho law requires that purchasers of land to which water rights are appurtenant file a Notice of Change of Water Right Ownership with this Department. We already have copies of the relevant deeds, but need your signature on the enclosed form to complete this process. Please sign the form under Item 7 and return it to me for processing. There is no charge. If you have questions, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent
