Re: Application for Transfer of Water Right – Ballentyne Ditch Company
Our File No. 3906-101

Dear Lori:

Enclosed please find a original and one copy of an Application for Transfer of a Water Right. I would appreciate it if you would please conform the copy and return it to me in the enclosed self-addressed envelope. This application is intended to be substituted for the transfer application previously submitted by Ballentyne Ditch Company and is intended to change the nature of use of an additional 0.04 cfs of water to account for intended changes to pond design on the Eagle River development. A check in the amount of \$100.00 was forwarded with the original application. This \$100.00 should cover the filing fee for the additional 0.04 cfs as well.

Thank you for your assistance with this matter. If you have any questions concerning this Application, or require additional information please call

Sincerely,

Michael C. Creamer
