Subject: Application for Transfer of 63-2986, 63-3404, and 63-7474 – LaVar Thornton

Dear Dan:

Enclosed on behalf of LaVar Thornton is a revised Application for Transfer of water rights 63-2986, 63-3404, and 63-7474. The application has been revised to remove 5 acres of irrigation in the SWSE of Section 3 from the transfer. We have determined that these acres are outside of Mr. Thornton's current ownership.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E.
