Re: Application for transfer of water right

Dear Mr. Nelson,

We are writing to request that our application for transfer of water right be expedited. Our water right numbers are 63-31472 and 62-31591 belonging to Ronald & Pamela Archuleta and Gary & Barbara Greenwell, respectively. A lawsuit has been filed by Ted and Phyllis Bohlman against us concerning the current irrigation well, and we feel if our application to change the point of diversion for our irrigation water were approved quickly, we could avoid going to court with this lawsuit.

Any assistance that you and/or the Idaho Dept. of Water Resources can give us in settling this matter would be greatly appreciated.

Sincerely,

Gary and Barbara Greenwell

Pamela Archuleta
