RE: APPLICATION FOR TRANSFER

Dear Mr. Brown:

Enclosed is your transfer to create a permissible place of use for several of your water rights. In our telephone conversation, you instructed me to make the changes to the map and the front page of your transfer to reflect all of the acres in each 40-acre tract. There are 5 government lots that have either 43 or 44 acres that are also represented.

I made the changes you requested and corrected the map to show the new place of use. Please review these pages carefully and call me if you have any questions. If you agree with the new front page and the map, please initial and date where denoted by the yellow notes.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
