Subject: Star LDS Church Applications

Dear Lori:

In response to your letter of February 4, I am resubmitting an application for permit for irrigation from a groundwater source for the LDS Church at 484 South Main Street in Star. The application includes a revised mitigation plan that eliminates the short-term mitigation previously proposed.

Also enclosed is an application for transfer of a 0.06 cfs portion of Pioneer Ditch Company water right No. 63-183. The transfer application proposes to change the nature of use of the water right from irrigation to mitigation. The application has been signed by Elizabeth Dudley, Pioneer Ditch Company President. A check for the \$100 transfer fee is attached.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E., P.G.
