Re: Application for Permit # 37-8195

Dear Mr. Keen;

Please be advised that the City of Ketchum does continue to have an interest in this current application. Water from this source is primarily used in the Bigwood Subdivision, for which it was originally developed. This is a residential subdivision, with normal domestic, irrigation and fire protection needs.

Please let me know if any additional information is needed to process this application.

Sincerely,

Steven A. Hansen, Utilities Manager
