RE: Applications for Transfer No. 69270 & No. 69306 (Hulbrn Dairy)

Dear Applicant:

The Department of Water Resources acknowledges receipt of your applications. Please refer to these numbers in all correspondence regarding the above referenced applications.

Since your applications involves changes to the point of diversion located in more than one county, this office has scheduled advertising the applications in the South Idaho Press for 9/24 & 10/01/01 **and** in the North Side News on 9/27 & 10/04/01. The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests (October 15, 2001).

If an application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

The department's review process may have to include field investigation and verification of the claims which is required as part of the Snake River Basin Adjudication.

State Office personnel will conduct a complete review prior to final processing of the applications and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
