Re: Transfer Applications for Cinder Cone Butte Farm LLC and LDS Church

Dear John:

The two transfer applications to change portions of water right nos. 61-7195A and 61-7424 are now being processed. The water supply bank application has been forwarded to the department's State Office for concurrent processing.

Enclosed is a copy of the transfer legal notice for Elmore County for your records. I will contact you during the next few weeks to take care of any necessary details with respect to the proposals.

Thank you for your patience in this matter. I regret it has taken so long to reach this point. Please let me know if you have any questions regarding the transfer applications.

Sincerely,

Steve Lester
Water Rights Supervisor
