Re: Applications for Transfer of Water Right Nos. 61-07195A and 61-07424

Dear Mr. Redd:

I received your letter of November 27, 2000, regarding a water bank proposal related to the above referenced applications for transfer. Both transfer applications were submitted by the law firm of Givens Pursley LLP on behalf of the applicants. John Marshall of the law firm received a copy of your recent mailing.

Transfer application processing can resume once the applications are revised to reflect the new information. Mr. Marshall and I will meet soon to discuss details of revising the applications. Appropriate steps will be taken at that time to facilitate transfer processing.

Thank you for the information you provided.

Sincerely,

A handwritten signature in cursive script that reads "Steve Lester".
