Re: Applications for Transfer for Corddry/Palfreyman and LDS Church

Dear Mike:

On behalf of your clients, you filed two transfer applications in early 1999. The transfers involved right nos. 61-07195A for LDS and 61-07424 for Corddry/Palfreyman in a water exchange scenario. The last contact noted in the file is a telephone conversation on January 26, 2000, in which you indicated that additional information would be forthcoming from the applicants.

The purpose of this letter is to inquire about the situation with respect to your clients. The applicants should select one of three choices as follows:

- withdraw the applications and request a refund of filing fees (\$100 per transfer application) via the enclosed withdrawal form
- clarify or amend the applications sufficient to allow processing to resume
- request a delay in processing of up to one year to allow the applicants more time to consider the proposals.

Please submit a written reply within thirty (30) days of the date of this letter. If the information is not timely submitted, the applications will be removed from the records of this agency. Thank you for your attention to these matters. Please let me know if you need anything in this regard.

Sincerely,

A handwritten signature in cursive script that reads "Steve Lester".

Steve Lester / Water Rights Supervisor / Enclosure
