Partial Decrees were previously issued for the above rights. The Court has discovered clerical errors in the *Partial Decrees*.

The IDWR's *Director's Report for Late Claims* for the above subcases were filed on February 18, 2003. No Objections were filed to the *Director's Reports* in the above subcases, and the above subcases were treated as uncontested water rights. *Partial Decrees* were filed on July 23, 2003. Because the *Director's Reports* were uncontested, the *Partial Decrees* should have been identical to the *Director's Report*. However, the quarter section descriptions in the *Partial Decrees'* Point of Diversion and Place of Use descriptions did not match those descriptions in the *Director's Reports*. The Court finds that the errors in the quarter section descriptions were clerical errors.

Therefore, IT IS ORDERED, that the subcases are hereby **amended and decreed** as set forth in the attached *Amended Partial Decree* Pursuant to I.R.C.P. 60(a).
