Subject: Application for Water Right Transfer – Richard Porter

Dear Steve:

On behalf of Richard Porter, I am pleased to submit the following application for water right transfer. The application proposes changing the place of use and point of diversion for a 3-acre portion of irrigation water right 63-31494, which was recently determined as part of Transfer 69920. One point of diversion is proposed at the new place of use.

Carlos and Laura Post currently own water right 63-31494. Richard and Shari Porter have entered into an agreement to buy a 3-acre portion of the water right. A copy of the water right purchase and sale agreement is enclosed, along with a check for the \$100 filing fee. Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E., P.G.
