

MEMORANDUM

To File: Trans. #71028
From: J. Westra JFW
Date: 6/28/04

RE: Protest Withdrawal-- Settlement Agreement

Mike Creamer the applicant's attorney, discussed with me the settlement agreement reached with Eagle Pine Waterusers resulting in the protest withdrawal. The agreement has nothing to do with water matters, but deals strictly with private financial and access issues. The applicant requests the agreement not be made part of public record in the transfer. No reference should be made to a settlement agreement in the transfer conditions of approval.
