

MEMORANDUM

Date: June 01, 2004
To: Transfer 71100
From: dcarlson
Re: transfer evaluation

This transfer proposes to move a GW right POU to another 80 acres across the road. The same well will be used for irrigation. The water right was purchased by mark evans applicant. The new POU has surface water shares based on what evans said.

Authority to File:

Applicant provided deeds for the new POU and the old place of use, and has a purchase agreement with the current owners of the water right. Applicant has a warranty deed for the purchase of the well location in the NWSE sec 15. Added eilleen because she is on the purchased agreement of the water right, but not on the land agreement for the new POU.

Water Right Validity:

This water right has been used based on land sat photos . Forfeiture is not an issue.

Injury to Other Water Rights:

In the Bear river area, not in the ESPA
Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
