RE: Customer visit

=====

Wes Staley came into the office today to discuss the ownership change requests for the above listed water rights.

It was determined that he did not have ownership of any of the lands that these rights (1 is a permit) are appurtenant to.

Shelley Keen worked with Mr. Staley and found that he did have proof of ownership for decreed water right 75-10302.

I have requested a refund of \$50.00 from the original \$75.00 that was paid by Mr. Staley. The remaining \$25.00 will be applied to the filing fee requirement for change of ownership on WR 75-10302.
