RE: APPLICATION FOR TRANSFERS FOR NIELSEN RIGHTS

Dear Mr. Steelsmith:

On 5/30/2003, I sent you a fax requesting a map showing the lands that were to be retired from the Peter Nielsen property for Scott and Stephanie Sessions, Bob and Marianne Baker, and Karen and Stephen Tucker. Since this fax, I have telephoned you several times to acquire the information.

Our office will generally only hold an application 30-days when additional information has been requested. If the information is not returned after the 30-day time limit, the application is voided and returned to the applicant. It has been well over the 30-days since I first requested this information. Whereas, I am not certain whether you are still the acting consultant for these individuals, I will be able to allow an additional 30-days for the applicants to send a map showing the lands that will be retired for these transfers. **If I do not receive this map by 9/29/2003, our office will be required to void all three applications for transfer.** If the applications are voided the applicants can re-file once the needed information is attained.

I have sent a copy of this letter to all of the applicants and Mr. Nielsen. If you are no longer the consultant for these individuals, they will need to supply the map as soon as possible to avoid further delay in processing these applications.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
