RE: 45-13429 and 45-13464

Dear Mr. Redman:

Pursuant to your letter received June 2, 2004, please consider this letter an extension granting additional time to accomplish the change authorized by transfer 69737. This extension is granted for 1 year from the date of this letter to accomplish the authorized change.

Regarding your request for an additional copy of a letter from the Water Resource Board regarding the point of diversion for 45-13464, I have not been able to locate such a letter. Enclosed is a printout for the recommendation for 45-13464 incase that is what you need. Since you indicated you may need to change the point of diversion for this right I have also enclosed a transfer application with instructions.

Please feel free to contact this office if you need further assistance.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Allen Merritt', is written over a horizontal line.
