NOTICE TO RESUME WATER USE

Re: Water Right No. 41-7030

Dear Applicant:

On January 25, 2000, the department approved your Application for Extension of Time to Avoid Forfeiture of a Water Right as submitted to the department for 1.4 cfs for the irrigation of 126 acres under the water right 41-7030. One condition of approval was that diversion and use of water must resume on or before July 1, 2004. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Therefore, I am enclosing a form to notify the department of the resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have questions, please feel free to contact me at (208) 327-7953.

Sincerely,

Deborah J. Gibson
