Re: water supply for ASCC Parcel # 427

Dear Dale,

In response to your inquiry about canal water supply to your Parcel #427, located in the NWSW quarter-quarter of T3S.R33E. Sec.25, there are no problems with maintaining and/or reinstating deliveries to this parcel from your headgate (A-2-8) on the Company's A lateral. Sufficient capacity exists to supply this parcel with its full allotment of water.

This parcel is covered by Aberdeen-Springfield Canal Company Stock Certificate # 4983 for 60 shares in the name of Meacham Bros. Farms. If you have any questions please do not hesitate to contact me.

Sincerely,

Steven T. Howser,
General Manager
