Dear Allen Merritt;

This letter is to inform the Department of Water Resources and the Church of Jesus Christ of Latter-Day Saints that Clear Springs Foods, Inc. is withdrawing its protest of water transfer #69185. Based on information provided by William Nelson, representative of the LDS Church, and information provided by IDWR, Clear Springs Foods, Inc. is able to withdraw its protest. It is our understanding that the reference to North Side Canal water will be removed from the water rights since there is no North Side Canal water included in the irrigation system. It is also our understanding that no future water transfer to another place of use would be allowed without drying-up appropriate acreage.

Respectfully;

Terry Huddleston
Farm Operations Manager
