RECOMMENDATION OF WATERMASTER

Transfer Application No: 71090 Water Right No(s): 11-442 , 11-2003
Transfer Applicant's Name: PRESBYTERY OF KENDALL INC

Watermaster's Recommendation:

- a) ☐ I do not oppose approval of this application.
b) ☐ I do not oppose approval of this application if it is conditioned as follows:

- c) ☒ I oppose approval of this application for the following reasons:

These Water Rights have only been used 2 years in the last 10 years. also existing Point of Diversion is only available for use early in the season, then there is no water. new Point of Diversion would have water available all season, and would take away from Downstream Water Right Holders, and I think this would cause conflict among Water Right Holders.

d) ☐ Additional Comment:

Dated this 9th day of March, 2004.
