Re: Comment

The following information was included in the database for original water right 11-0422:
P/D, NW 1/4, SEC. 13. T. 8S, R.41E, 5 MILE MEADOWS.
P/U, AC IRR=160.

The decree, Utah Power and Light vs. The last Chance Canal Company, Limited, et. al., includes the following:
... To be diverted from Five Mile Meadows, in the Northwest quarter of Section 13, Township 8 South, Range 41 East...

Five Mile Meadows appears to reference the information found in the previous decreed water right, 11-0441, referring to the Five Mile Meadows Reservoir.

According to Craig Hill Five Mile Meadows is the area of the diversion.
