RE: Application for Transfer Nos. 66132 (45-02405 et al) & 66133 (45-00534 et al)

Dear Mr. Anderson:

The Department of Water Resources acknowledges receipt of your water right transfer applications. Please refer to the above referenced transfer numbers in all future correspondence regarding these applications.

A legal notice of the application has been prepared and is scheduled for publication in the South Idaho Press on 03/05 & 03/12/01. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

Preliminary review of the applications indicate that **a notarized statement from any lien holder on the property** is needed. Please submit this information within 30 days of the date of this letter. The Department cannot complete the processing of this application until the requested information is submitted.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
