Re: Two (2) Application(s) for Transfer of Water Right-Anderson Farms

Dear Ms Beams:

Enclosed are copies of Application(s) for Transfer of a Water Right within your District, and Watermaster's Recommendation Form(s).

Section 42-222 of the IDAHO CODE requires that the watermaster must be advised of proposed changes in water rights in the water district and must notify the Department of his recommendation on the application.

Please complete the enclosed recommendation form(s) and return to this office.

Regional review of an unprotected application can be completed as soon as the final protest period is past; therefore, your prompt response to this request is appreciated.

If you have any questions about an application, please contact this office or the applicant.

Very truly yours,

Mary A. Baldwin
Administrative Assistant
