Re: Harry Rinker water right transfer applications – Riverview Ranch /
Peregrine Ranch
Project No. 128-04-1999

Dear Corey:

Enclosed are six (6) transfer applications for the water rights associated with Mr. Rinker's property known as the Riverview Ranch (west of the highway) and Peregrine Ranch (east of the highway). These applications follow the exact methodology and structure that was agreed upon between you, Kelley Christensen, and me in our meeting on March 19, 1999. Also, the irrigated acres west of the highway for the surface rights were agreed upon in this meeting.

I am including detailed narratives for each transfer, so that the intent will be absolutely clear. Below is a brief summary of the purpose of each of the transfers:

- | | |
|---------------|--|
| Transfer #1 | Split off Rinker's share of the "B" surface rights west of the highway and list acres west of the highway in accordance with historical irrigation. |
| Transfer #2 | Split off Rinker's share of the "B" rights east of the highway, making the place of use of both "A" and "B" rights applicable to Rinker's property east of the highway, and list acres in accordance with historical irrigation. |
| Transfer #3 | Transfer 1.0 acres of "B" surface rights to Mr. Don Nickelson. |
| Transfer #4 | Transfer 1.0 acres of "B" surface rights to Mr. Walker Monroe. |
| Transfer #1GW | Split groundwater right 37-02640A into portions west of highway and east of the highway on Mr. Rinker's lands. |

Transfer #2GW Split off a portion of groundwater right 37-02640A
for Lot 4 owned by Mr. Woods.

Please review the submittals at your earliest convenience. Due to the complexity of the transactions, I believe it is imperative that we schedule a meeting to walk through each application in order to avoid delays.

Sincerely,
