To whom it may concern,

I, B. William Winward have resided at 3369 N. Westside Hwy for about all of my life. I was born on the property Jan. 31, 1934. I have been familiar with the property that Brice Checketts owns at 2250 N. Westside Hwy. I can remember when Winn Nelson, who owned the property, drilled a well in the corner (NW) by the Hwy. He used it to supplement his Twin Lakes water. He farmed that property and also had a feedlot that he fattened steers. As near as I remember this well was drilled in the first of the 1950's.
