RE: Transfer beneficial use claim 13-4332

Dear Mr. or Mrs. Checketts:

In order to process the application for transfer filed to add a point of diversion for 13-4332, the department needs the following.

1. Copy of ownership records (Warranty deed).
2. Evidence of priority (documentation to establish the claimed priority of 04-01-1960).
3. Extent of development (documentation of the maximum number of cattle watered)
4. An on site examination of the system by this department.

Please contact this office so that we can set up a convenient time to complete the on site examination.

Your prompt response on or before May 15 will be appreciated.

Sincerely,

Keith C. Wilson
