RE: App For Transfer 70929, Eastfield At Bellevue Farms HOA

Dear Scott;

I have started reviewing your application, and have found a couple of discrepancies that need to be addressed. I had the new well in the wrong 10-acre tract, and the actual description of the place of use is slightly different than what was claimed. I also changed the period of use to agree with the standard irrigation season for your area. I produced a corrected application to deal with these issues, which is enclosed for your review. If the document is acceptable, please sign it before a notary before returning it to me for processing.

Regards,

James E. Stanton
Sr. Water Resource Agent
