RE: Apps for Transfer #69624 & 69626

Dear Nick;

As you requested, I have removed the 2.9 acres of BLM land from your proposed transfers. The files have been forwarded to Mary for advertising. As we discussed, we still need written documentation showing that you own this property; copies of recent tax notices will suffice when available, or a copy of the warranty deed or similar document will work if a tax notice is not available. As long as we receive these documents by the end of the protest period, processing of your transfers will not be delayed.

Regards,

James E. Stanton  
Sr. Water Resource Agent

Enclosed are tax notices and deeds. Legals.
