Picabo Livestock Pedigree of Claims

Picabo Livestock combined various previous decrees and licenses into its claims filed in 1988. Subsequently, Transfers 5044, 5045 and 5046 were approved describing the pre-claim water right numbers. The claims data under the combined numbers has been modified to reflect those transfer approvals except for the remarks and conditions in all but one right. The following is an attempt to translate from the "old" water right numbers as detailed in the transfer approvals into the previously filed and present claims. All of the claim numbers were filed in 1988 except 37-20609.
