Comment: Needs to be reviewed by Adjudication Staff.

3. jstanton 1/22/2002 T. 69626 - Initial Review

Comment: Application expands an existing ppu established by approved transfer in 1997. Same limits for flow, volume and annual acres apply to the new transfer as were approved then. Original app was based on water rights because 1997 transfer was not on database, but that has been corrected. I generated a new app based on the corrected data, which applicant signed last week. Recommend approval.
