RE: App For Transfer 70569

Dear Sirs;

In response to your letter of 11-28-03, I have reviewed this application and found it to be acceptable. As far as obtaining BLM permission for this transfer, I thought that the final SRBA decrees took care of this. I have been informed that this is not correct, however, so I need additional time to work with the BLM in order to execute a deed that will convey a portion of my private water rights to them in order to prevent them from protesting this transfer. Please grant an extension of 90 days (until March 30, 2004) for me to obtain the required documents.

Thank You,

Jeff Weber
