RE: App For Transfer 70870

Dear Mr. & Mrs. Dunfee;

Per our conversation, I have produced an application for your signature. Please review the document before signing it before a notary; both of your signatures are required. If corrections are needed, please enter the correct data and initial the change. The application fee is \$290. Once we receive the notarized application and filing fee, the application will take its place in line for initial review prior to advertising. Due to the large backlog of applications waiting to be reviewed, it is not possible to say when your turn will come.

If I can be of further assistance, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent
