RE: Water Rights Held In The Name of Dunfee Family Trust

Dear Mr. & Mrs. Dunfee;

Our records show several different addresses for water rights in your name. SRBA Claims 75-107 & 75-10306 show an address in Apple Valley, California, and cover land in the Salmon area. Rights 72-230B & 72-10542 show an address c/o Lisa Durfee Clagg in Eagle, Idaho. The other rights that you hold in Basin 72 show the Clayton address, which I assume has been changed to the Challis address above.

Enclosed is a Change of Address form for your use. I added some of the pertinent right numbers when the address & possible ownership question came up. Please complete the form and return it to me for processing. There is no charge for just changing addresses, and the signatures need not be notarized; both of you should sign, however.

Regards,

James E. Stanton
Sr. Water Resource Agent
