Subject: Protest 70792 Robert Amonson

Alan,

We received the protest of transfer 70792 in the name of Robert Amonson. I believe that there is a simple solution to the protest.

Condition "U42" has been used in the SRBA and has resolved other protest made by the BLM where the place of use used by the state listed only the 1/4 - 1/4, a portion of which is owned by the BLM & the other portion is privately owned.

Condition "U42" reads as follows:

"Place of use does not include Federal Public Lands."

The BLM could make a conditional withdrawal of their protest if condition "U42" were to be included as a condition of the transfer.
