RE: Application for Transfer No 70792
Water Right No(s) 74-281

Dear Applicant(s):

Enclosed is a copy of a protest filed against approval of the above referenced application. The Department suggests that you contact the protestant(s) directly to determine the nature of the protest and, if possible, to resolve the matter without action by the Department. In our experience, informal discussion between the parties prior to initiation of formal proceedings often leads to resolution of the protest.

If the protest cannot be resolved informally, the matter will be scheduled for conference and/or hearing. The following are criteria the Department must consider in either approving or denying the application (Section 42-222, Idaho Code).

1. Will other water rights be injured by the proposed transfer?
2. Will the proposed change constitute an enlargement in the use of the original right(s)?
3. Will the proposed change conflict with the local public interest?
4. Will the proposed change be contrary to the conservation of water resources within the State of Idaho?

You will be notified at a later date of the time and place of the conference and/or hearing. Please contact this office if you have any questions regarding this procedure.

Sincerely,

W. Roger Warner
Water Right Supervisor
