Idaho Department of Water Resources:

The Bureau of Land Management (BLM) is hereby protesting Water Right **Transfer No. 70792**, filed by Robert Amonson.

The BLM objects to the transfer of this water right and requests a more accurate Place of Use description.

The Place of Use description at the SESW of Section 32 of Township 17 North, Range 25 East contains both private and BLM lands. The BLM requests that the description of this 40 acre tract accurately describe private land. The description could read the N ½ SESW and the N ½ SESESW of Section 32 of Township 17 North, Range 25 East.

If you have any questions, please contact Alan Bittner at (208) 756-5423.

Sincerely,

David E. Krosting
