

MEMORANDUM

Date: November 05, 2003
To: Transfer 70892
From: rwarner
Re: transfer comments

This transfer proposes to change the point of diversion and place of use. Applicant indicates that the ditch that was used to supply the stockwater right is no longer in use and that the creek flows through the applicants property upon which the stock will be kept. Approval of this transfer will put the point of diversion and place of use in close proximity to one another.

Authority to File:
Applicant provided tax notice from year 2002.

Water Right Validity:
The water right involved is currently under review in the SRBA.

Injury to Other Water Rights:
Basin 23. Within the Snake River Moratorium area and SRBA. Also within water district 01.
Transfer will be advertised to determine any protests.

Enlargement of Use:
There is no evidence of enlargement of use.

Local Public Interest:
No issues identified.

Beneficial Use / Conservation of Water Resources:
No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
