RE: Change of Ownership Request

Dear Heather:

We are in the process of changing our records to reflect the changes of ownership that you have requested.

Our research has revealed four (4) statutory claims do not appear to have been claimed under Snake River Basin Adjudication (SRBA). For your information printouts for these rights are attached.

If you are using water under these rights, SRBA claims should be filed. Please review and advise us the action you wish to take regarding these water rights.

Please call our office if you have any questions regarding this matter.
