RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application to allow you to complete the necessary items. The required information is described below.

- **The Fee was not provided.** The filing fee for the transfer application is \$250.00, based on 0.23 cfs (the proportional amount of water that is being transferred).
- **The Proof of Ownership for the Proposed Right was not provided correctly.** We need some sort of proof of ownership that shows that Cranney Ranches owns the land where the water is being transferred. In this case, the NE ¼ of the SE ¼ of Section 5, Township 12 South, Range 21 East. The deed that was included with the application describes land located in Section 17, Township 13 South, Range 22 East.

Please feel free to contact this office if you have any questions.

Sincerely,

Corey Skinner, PE
Water Resource Engineer
